# Event Management Workshop

Presented by Garry Humphries

### Garry Humphries - Event Management incorporating Finance & Marketing

In this lecture you will learn:

This seminar will encompass a mix of presentations, workshops and shared experiences designed to inspire the seasoned event manager and give foundation skills to the “new” event manager or community volunteer in the areas of:

- Conceptualising great events
- Should we do this event?
- Event plans that work
- Pulling it together on the day, and
- The post-mortem

Garry has translated his love of creating and delivering spectacular events into senior roles in some of Australia’s largest events. These include the Gold Coast Indy, Brisbane World Masters Games & Queen’s Birthday leg of the Olympic Torch Relay.
